

## **QOMO HiteVision Shows Strong Presence at ISE 2009 in Amsterdam**

Wixom, MI February 17, 2009--- **QOMO HiteVision** had a hugely successful show at ISE 2009 in Amsterdam. **QOMO** took the opportunity to showcase their complete classroom solution at the show, highlighting their new Electromagnetic Interactive Whiteboard, Infrared Frame Module, QRF 600 Audience Response System, and QD 6100SX Document Camera.

A total of 437 leads were generated this year spanning 49 countries. The booth buzzed with activity as people gathered to learn about QOMO's digital signage line, document cameras, audience response systems, wireless tablets, and interactive whiteboards.

Of the people that visited the booth, 73% represented the corporate/business sector and 10% were from the education sector. Overall, 65% of the visitors were a part of the AV/Electronic Industry.

To cap off the trip, **QOMO** hosted an honorary dinner on February 4<sup>th</sup> at Brasserie Richard for almost 50 distributors. The dinner was a huge success as the company displayed their appreciation for their distribution partners around the world.
