

## tech that keeps you cool, calm, connected and collaborative.

### keeping you more in touch, not less.

Whether you're working internally or with the public, QOMO has an interactive solution to make your communications more accessible and effective.

### devices that are easy to use and work with what you already have.

QOMO gives you high quality presentation tools that have been adapted to work with any skill level and any software.

We offer technology that works for everyone, not just a few.

#### FOR LEADERS

Get virtually everyone on the same, virtual page.

Presentations and briefings are easier to see, hear, and understand.

#### FOR TEAMS

Tech that helps you do more, faster.

Meetings are more meaningful and productive.

#### FOR IT DEPTS

Collaboration takes place in the security of your local network.

Easy to integrate, and under your control.

**sketch ideas faster.**

**INTERACTIVE PODIUM**

Control what your audience sees behind you without turning your back. **Write and draw with as much precision and detail as a pen and paper.**

**forge connections.**

**QCONNECT**

Our QConnect wireless sharing device allows **up to 64 people** to interact with a presentation at once.

**read the room.**

**AUDIENCE RESPONSE**

Make sure every voice is heard. **Get instant and honest feedback**, ensuring your team is on the same page.

**transform any surface.**

**LASER PROJECTOR**

**Our 3,700 lumens interactive touch projector** allows you to transform any smooth surface into an advanced presentation tool.

# Journey 13 Series

**a panel that promotes agreement.**

**INTERACTIVE PANEL**

The Journey 13 Series is the ultimate all-in-one interactive display board, **preloaded with software and apps** that will help you hit the ground running.
