

Activating your Ximbus (Updated 9/19/17)

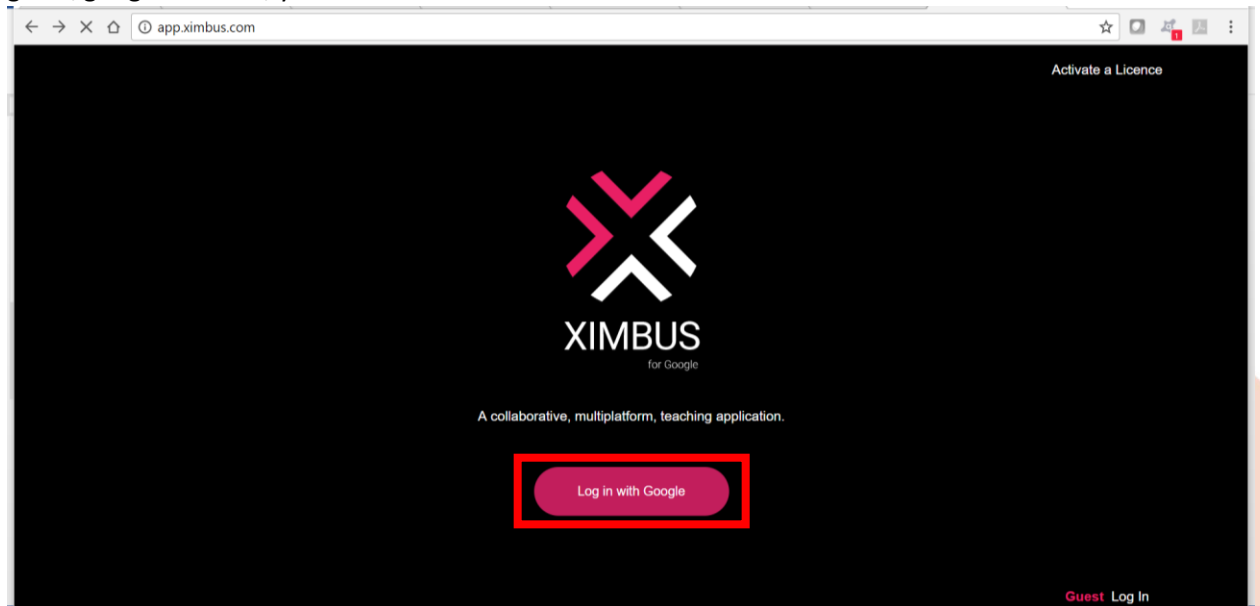

1. Open up your chrome browser. If you do not have chrome, you must download using the following link:

<https://support.google.com/chrome/answer/95346?co=GENIE.Platform%3DDesktop&hl=en>

2. Go to www.ximbus.com and select “Launch Ximbus”

3. Select “Log in with Google” and sign into your gmail/google account. If you do not have a gmail/google account, you must create one.

4. Enter in your 16-digit license key to activate.

Hello,

Thanks for signing up to Ximbus.
Before we get started we first have to activate your account.

If you have a 16 digit licence key please enter it here.
