

CornerCam Portable Visualizer

QPC30/30M

The clearest choice in portable document cameras

It has the high quality image QOMO users have come to expect from desktop document cameras, in a portable, affordable package that fits perfectly on any desk corner.

The low energy consumption LED provides illumination in any condition while the camera mount has a fully articulated structure allowing for flexible movement and positioning.

The CornerCam is the perfect balance between quality & portability making it ideal for transportation and presenting in almost any situation.
