

**fact!**

I have a high definition
**1080p camera &
built-in mic** so you
can communicate with
clarity.

a webcam that's exceptional.

A web camera that is professional quality yet affordable and easy to use.

The high definition QOMO WebCam 004 allows you to stream and record clearly for conferences, online teaching, and hangouts. Built with professional quality components, it has a sharp 1080p camera and built-in dual mic to capture all of the details. The QWC-004 is also easy to clip on, adjust, or move around, with a tripod adapter on the base.

Bundle with a tripod for more mobility.

QWC-T1 TRIPOD

Pair with the QOMO QWC-T1 tripod for a stable base while you record. The tripod is both height adjustable and can be positioned at a 90° angle, allowing you to view and capture objects and documents.
