

fact!

I can follow you
around the room with
my ePTZ technology

a 4K webcam that captures it all

A web camera that can auto track

The 4K QOMO WebCam 006 allows you to stream and record clearly for video conferencing, online teaching, work from home, and hangouts. Built with professional quality components, it has a sharp 4K camera and built-in dual mics to capture all of the details. The QWC-006 uses face recognition technology to zoom in or out to frame your environment perfectly.

Bundle with a tripod for more mobility.

QWC-T1 TRIPOD

Pair with the QOMO QWC-T1 tripod for a stable base while you record. The tripod is both height adjustable and can be positioned at a 90° angle, allowing you to view and capture objects and documents.

*tripod sold separately - model# QWC-T1
