# simpleboard<sup>™</sup> j

4K | Modular | Simplified Setup

For spaces where clarity, flexibility and ease matter most.

## basic on purpose.

SimpleBoard j is built for **simplicity and flexibility across rooms**. With **no built-in operating system**, it works with the platform your organization chooses—making it easier to **standardize setups** and keep everyone aligned.

With **fewer built-in components to manage**, it's easier for IT teams to support and maintain, delivering a reliable experience every time.
