

QOMO®
sciencecam 80h2
 OPTICAL HDMI DOC CAM

✓ **What Sets Us Apart**

The QOMO QPC8oH2 optical document camera is more flexible with a higher resolution image than the Epson DC-21, all at a competitive price. Additionally the bonus built-in switcher/scaler allows you to connect multiple devices to the QPC8oH2 and toggle between VGA and HDMI seamlessly with resolution scaling to work with your existing tech.
