

scannerCam™ qpc22
 USB DOC CAM

✔ **What Sets Us Apart**

The QOMO ScannerCam™ QPC22 is more compact and versatile than the Aver U50 camera. Additionally, the 8MP image with 25x zoom allows you to view and record with more details and clarity. QOMO's QPC22 is a 2-in-1 solution that doubles as a webcam and a document scanner, while occupying very little desktop space.

scannerCam™ qpc22
 USB DOC CAM

✓ What Sets Us Apart

The QOMO ScannerCam™ QPC22 is sturdy and more compact at a better price than the Hovercam Solo 8 Plus. QOMO's QPC22 folds back at 270 degrees to double as a webcam without the need for image rotation. This makes for a perfect remote teaching tool, all while occupying minimal desktop space.
