we make collaboration technology work the way you want it to.

QOMO is a leading US brand and global manufacturer of educational and collaboration technology. From doc cams to interactive touch screens, we're the only partner who comes with a fully-integrated (and adaptable) product line that's easy to use and easy on the budget. After doing this for nearly 20 years, we understand how to work with everyone from CEOs and CTOs to district administrators and classroom teachers.

QOMO focuses on creating user-friendly technologies that allow everyone to enjoy what they do best.

How do you say our name?
