

QOMO® wandercam™ pro

USB DOC CAM

✓ What Sets Us Apart

The QOMO WanderCam™ Pro and the Lumens DC-W80 are comparable models with 4K resolution, dual-band wireless technology, and interactive software. In addition, the QOMO WanderCam Pro has a better price point, sleeker design, while maintaining a larger shooting area for textbooks and more.

QOMO QPC100W	VS	Lumens DC-W80

QOMO® wandercam™ pro

USB DOC CAM

✓ What Sets Us Apart

The QOMO WanderCam™ Pro has more features at a much better price point than the Aver M15W. QOMO WanderCam Pro allows for both Wi-Fi network and point-to-point connection. The battery life is significantly longer on the WanderCam, and a convenient battery indicator light on the unit tells you when to charge.

QOMO QPC100W	VS	Aver M15W
